

## Meet your current staffing needs with O'Grady Peyton International

As the international division of AMN Healthcare, O'Grady Peyton International specializes in placing the most experienced international nurses from English-speaking countries at your hospital for long-term assignments.

## Dedicated to Meeting Your Specific Needs

O'Grady Peyton International is dedicated to helping facilities overcome their most critical staffing challenges. All of our nurses are pre-screened by our superior clinical and quality management teams. Screening includes background checks, a drug screen, professional reference checks, license verification and phone screening. We handle all the qualifying and placement needs of international nurses so you don't have to. Our expertise is focused on the following:

- Recruitment
- Immigration
- Licensing preparation
- Nurse support services

This expertise enables us to better place the right nurse with your facility and to provide you with the professional, personalized service you need.

## Access Quality Nurses

An O'Grady Peyton International nurse is different from that of a traditional traveler. Each of our international nurses has excellent references, a high level of competence, outstanding clinical skills and an average of seven years experience in U.S.-type acute care facilities.

## Our Nurses are Ready to Start

Our experienced, highly qualified nurses, covering all specialties, are arriving daily and are ready to start work immediately upon arrival. O'Grady Peyton International nurses are fully licensed and arrive in the United States as legal, permanent residents. Typically, you can expect nurses to begin working at your facility shortly after selection; quick starts are also available.

### O'Grady Peyton International nurses are:

- Highly skilled in their specialty.
- Exceptionally qualified with an average of seven years experience in U.S.-type acute care facilities.
- Fluent in English.
- Highly recommended by previous employers.
- In total compliance with U.S. immigration requirements and state licensing.
- Fully licensed RNs, ready to start working in U.S. hospitals.

## No Financial Risk

*Retaining just one nurse will pay for the program! You save on administrative fees, recruitment and bonuses.*

When you recruit nurses through O'Grady Peyton International you will only be billed when they begin their assignment with you. There is no financial risk or requirement of funds prior to the nurse's arrival at your facility. We pay for the nurse's licenses, NCLEX examinations, Permanent Residency visa and travel costs. You only pay for the hours the nurse works for you.
